

mission **HIGHLIGHT**

This month the Mission Action Team would like to highlight our

LIFE STREAM YOUTH MISSION TRIPS!

We have a fantastic group of students who will be serving locally and nationally this summer. The students have been working hard to individually raise funds for their trips over the last several months. However, with the rising costs of food and transportation, our teams could use some additional support!

We invite you to partner with us over the next several weeks by praying for the students, staff, and volunteers who will be serving this summer.

To support our youth summer mission trip teams and the many other local and global missions Life Stream supports, please donate using the link below or indicate the amount you would like to donate under missions on the white giving envelope.

Thank you for helping us support people and programs locally and around the world!
