

NIAGARA FALLS

A HIGH SCHOOL MISSION TRIP TO NEW YORK

Dear Identity Students and Parents,

It's that time of year again! Summer adventures are being planned; vacations, camping trips, graduation open houses, and SUMMER MISSION TRIPS! We are thrilled to announce that Identity Youth is heading to the area of Niagara Falls and Buffalo, New York this summer!

This summer, students will be given the incredible opportunity of learning what it looks like to be the hands and feet of Jesus by serving the local communities of Niagara Falls and Buffalo, New York. We will be partnering with organizations on the ground to serve food to the homeless, do street evangelism, work with Habitat for Humanity to build/renovate a home, and more!

When: June 19-24, 2022

Please mark your calendars and save the date!

Where: Niagara Falls / Buffalo New York

We will be staying at the Harvest House Guest Center in Buffalo, New York. This is a renovated Church building which is now used for large Christian group retreats. They have large sleeping areas (separated by gender), a cafeteria and kitchen, a game room, and lots of showers! This space is very close to some of the serving opportunities we will be a part of in Buffalo, and a short drive from other serving opportunities in Niagara Falls.

Cost: \$300 (+ cash for two meals)

The cost will be covering our stay at the Harvest House Guest Center, meals (excluding two stops at fast-food restaurants on the road), transportation, serving costs, a fun event, & all other expenses. (note: students may bring a sack lunch for the ride there but will need money for a meal stop on the trip home)

Who: Chandler Stevens + Team

We are so excited to lead this trip, and we are not alone! We have an amazing team of adult volunteers alongside us with decades of combined experience. For this trip, the team will be made up of 8-10 adult leaders, who will help us to supervise and lead on this trip. (If you want to meet the team, please come along to our first parent meeting on Feb 27 @ 8:15pm at Life Stream Church).

Registrations:

Our registrations this year are 100% online through Managed Missions. April 24th is our deadline for registration and deposit. Please visit the link below to sign up.

lifestreamweb.org/identity

Meetings: February 27 & May 15

These meetings will be from 8:15-8:45PM in the Worship Center at Life Stream Church, directly after Identity ends. The first will be an informational meeting for parents of any students interested in going on this trip. During this meeting, you will have a chance to hear about the trip plans in detail and ask any questions you may have. We will also be helping with the Managed Missions process during that time. The second meeting will be with parents of students going on the trip to go over final logistical details and collect the parental release forms.

Please feel free to contact me with any questions you may have beforehand.

We are so excited for all that God will do through this trip!

God Bless,

Chandler Stevens
